OUR PRODUCTS TOWING TRACTOR

TG/TD Models 1.0 - 4.5 Tonne Tow Tractor

Toyota's advanced towing tractor technology is seen at airports around the globe.

Toyota continue to enhance the Towing Tractor technology through valuable feedback from the airport industry and operators. For example, the 42-2TD25 towing tractor with the larger 3.5 litre engine was developed by Toyota engineers in conjunction with feedback from the Australian airline industry.

PRODUCTIVITY

- * Rugged steel plate front construction
- * Proven range of Toyota Industrial engines
- * Commercial vehicle truck type transmission
- * Heavy duty front and rear axles
- * Rear leaf and front coil suspension
- * Power assisted steering

PERFORMANCE

- * Class-leading 3500 litre 2Z direct injection engine (42-2TD20 / 25 series)
